

Thursday 6th October 2011

Dear Gary

I would like to thank you and your team for the fantastic business cards you have had printed for The Crazy Catering Company, along with our new amazing menu brochures, which you offered us the most cost effective solution to our printing requirements.

All our products were delivered on time as promised at the agreed price, which was a lot more cost effective as oppose too many other printers locally and nationally who we have used before.

Thanks Again

Kind Regards

Ian Robinson

Managing Director

The Crazy Catering Company Limited
