Dear Jan and James

Thank you very much for all your help over the last few months.

Promoting our business in Lymm Life magazine has really helped raise the profile of our business. We have always had a very popular and well supported business but Lymm life has helped us reach lots of new patients.

The Lymm Life team take a very professional approach, and offer a really high quality magazine which does our advertising proud as well as giving readers informative articles and news in the Lymm area.

Display advertisements and editorial articles have successfully highlighted how our practice has grown and the treatments we offer.

We are very happy to use and support our local village magazine, which supports the Lymm community.

A great result so far - it works for us!

Many thanks for all your help with marketing

Jill Cooper
