Editor's Comment

I WRITE these notes with the Manchester bombing still very raw in my mind, bringing back memories of the Warrington bombing nearly a quarter of a century ago.

While I usually use these notes to comment on local issues, the Manchester bombing and acts of terror like this impact on all our lives.

Like many others I have been a frequent visitor to the Manchester Arena for many years with my wife and daughters and never once did I go fearing we may never return.

People more qualified than me don't have the answers and I certainly don't pretend to have them.

If someone has no value on their

own life there is little one can do to stop them taking others.

These random attacks of terror are certainly on the increase and we all need to be more vigilant than ever before.

But the one thing we must try and do is carry on as normal and continue to go about our daily lives, enjoying what we do, attending pop concerts and sporting events because if we don't - the terrorists have won.

As we witnessed after the Manchester bombing, most people are good and will go to the aid of those in need, sometimes putting themselves at risk.

There were many acts of bravery in Manchester and there are many acts of kindness in our local communities.

So let's all try and learn from this

latest atrocity and make a promise to ourselves to #WeStandTogether and always do our best for our local communities whatever our religion, race or creed.

If we educate our youngsters to adopt this stance we can hopefully one day live safely in our communities.

Deadline for the July issue of Culcheth Life is June 13

Sisters climb a mountain for charity

TWO Culcheth sisters who climbed Mount Snowdon with their mum and dad have raised £1,000 for charity – and money is still coming in.

Daisy and Faye Pryce, aged six and five, decided early this year to do the climb to raise money for the Flying Seagull Project, a charity that provides fun and laughter to children in need.

The girls both attend Newchurch Primary School.

Their Dad, Craig takes up the story.

He said: "We had a very tough day with the weather, waking in the morning to thick grey cloud and heavy downpours of rain.

"Even though myself and my wife had doubts the girls were totally up for it and not once did they say they didn't want to do it!!

"We set off from Pen-y-pass at around 8.30am and went along the Miners Track with some friends who came to support us. We all

had good spirits and the girls were off running ahead asking which mountain we were going to climb... not phased by the size at all.

"As we continued it became steadily steeper and steeper, at some points literally climbing and scrambling on all fours.

"We did at one point consider turning back as the rain and wind became stronger and it became colder...we discussed how it was never going to be easy and that is why we had raised so much money. Sometimes life can be hard, just as it is for the children the Flying Seagull help. This was a great lesson for the girls. They decided to be strong and brave and we continued onwards!

"Towards the top we split into two small groups as the trail became very narrow with big drops off the edge. We were totally immersed in the clouds and couldn't see very much. We took our time slowly but surely we made our way onto the

top ridge and along to the summit, arriving at about 12.00.

"The girls were so brave and at points we had a few tears and 'I cant go any more' but so many friendly people spurred them on and congratulated the girls for their great effort, it kept us going. We raised a further £54 along the way.

"The girls are so happy that they have done this. We are set to top over £1000 with more money coming in from various sources over the next week. You can still donate to the girls' fund at www.justgiving.com/daisy-faye

Rotary club seeks entertainers

ROTARY club members in the Culcheth area are on the look out for talent – to expand their entertainment programme for local care homes.

For many years, they have visited two local elderly persons' homes entertaining residents with an evening of song, bingo and supper.

But other homes have asked to be included in the programme and the Rotary Club is in the process of setting up a new and more versatile "troupe" offering a wider range of entertainment.

People and groups interested in helping out – possibly to gain "artistic" experience, are invited to make contact via Bernard Groom on 01925 733893.

Veteran councillor takes over as chairman

VETERAN councillor Keith Bland is the new chairman of Croft Parish Council.

The former county and borough councillor, who was awarded the MBE in 2011 for his services to the community in Cheshire, has taken over from Cllr Val Allen.

He said: "I am honoured and delighted to be taking over the chair of Croft Parish Council for the forthcoming civic year. I can certainly say that I have big shoes to fill! Val Allen has done a superb job as Chair over the last year."

"I would like to assure the residents of Croft that I am looking forward to representing the village to the best of my ability and hopefully in the next 12 months, with the help of the parish council, residents, businesses and local organisations, produce a Croft Parish Plan which will help us identify exactly what the profile of the village is, which we can then

use to produce an action plan for the future."

Cllr Bland is also a member of, and former chairman of, Culcheth and Glazebury Parish Council.

Culcheth Athletic U12s Pythons with Sponsors Nigel Healey & Alicia Flint of Hunter Healey Chartered Accountants.

Hunter Healey continue long term sponsorship

CULCHETH Athletic U12s Pythons have just taken delivery of new rain jackets which have been kindly provided by sponsors Hunter Healey.

Head coach Neil Burlinson said: "Hunter Healey have sponsored the team from the very start and continue to be very supportive. A very big thank you to them from all of us."

Culcheth Athletic Pythons are now moving in to their 8th season.

Neil added: "Most of the team have been together since the age of 4 and to watch them grow and develop in all aspects of their lives, not just football, has been extremely rewarding as their coaches. They have developed in to an extremely skill full football team, which shows that hard work really does pay off!"

"Last year the team enjoyed a fantastic trip to Holland, testing ourselves against some impressive Dutch teams."

"We are one of the few teams that will continue to play matches on a Saturday in future. We are looking to strengthen our team and so if you would like to come along to one of the training sessions, please get in touch."

Dining Out with *Culcheth Life*

at the Spice Lounge

THE Spice Lounge Indian Restaurant in Culcheth has undergone a refurbishment to enhance your dining out experience.

There is a new bar area which is fully licensed, new flooring as well as new decor and new dishes on the menu - as well as many of the

old favourites.

Also after an absence of two years popular manager Bobby is back to ensure you get a warm welcome.

From the moment you step through the front door until the moment you leave you are accorded great hospitality of the highest level from a friendly team, who are more than helpful to make sure your stay is a most enjoyable one.

Judging by the numbers dining on a Thursday evening The Spice Lounge is a popular choice.

While the restaurant was fairly busy it did not detract from the great level of customer care.

The extensive menu includes everything you could wish for.

After poppadoms and onion bajis I was delighted to see my favourite Afghani curry was on the menu.

This was superbly presented and mouthwatering delicious and extremely filling.

If you like a spicy curry, which is not too hot, but leaves a nice tingle - I would highly recommend it.

Our party was a mixture of those who enjoy a hot curry and those who prefer the milder options and all left happy and most certainly

heartily full.

There is certainly no room for anything else!

There are so many different dishes to choose from, your main problem will be deciding what to have - but if you need any help deciding, one of the friendly staff is always on hand to offer advice.

For added value the Spice Lounge offers a 20 per cent discount for people wishing to dine before 6pm

or after 9.30pm which offers even greater value for money.

With the venue being extremely popular for special occasions booking is always advisable, especially at weekends.

One thing is certain if you visit the Spice Lounge you will receive a warm welcome from Bobby and the team, who look forward to welcoming customers old and new following the recent refurbishment.

Fun in the sun at Culcheth

Pictures by Paul Jackson

AFTER last year's washout due to rain sunshine broke through the clouds to bring smiles to the faces of those attending this year's Culcheth Community Day.

Held on Culcheth village green the event was officially opened by Deputy Mayor of Warrington Cllr Les Morgan, and was hugely supported by large crowds enjoying the fun and activities on a warm day.

There was plenty on offer to keep folk entertained with BMX displays, Bozo and Zizis circus workshop, a karate display, a pet show and a fantastic exhibition of classic cars, bikes and tractors all adding to the entertainment.

There were also fair ground rides, coconut shy, hook a duck, golf challenges, netball shooting and the Wild Wings Birds of Prey who have recently won planning permission to relocate on land next to nearby Taylor Business Park

For the peckish there were plenty of stalls providing a large variety of food and drinks.

The annual event is organised by the Culcheth and Glazebury Parish Council.

Care home's Bake for Heroes raises over £100

STAFF, residents and friends of Holcroft Grange care home, in Culcheth, showed off their baking prowess and raised over £100 by holding a bake sale in support of the Help For Heroes charity.

The bake sale was held at the Croftwood Care-run home on Jackson Drive as part of the charity's Bake for Heroes campaign. Baked goods were made by staff, residents and friends of the home and included delicious delights such as scones, muffins and cup cakes. Proceeds from the

event were split between Help for Heroes and the Holcroft Grange activities fund, which is used to pay for trips and days out for residents at the home.

Making a guest appearance at the event was the Help for Heroes mascot, who residents took to their hearts and affectionately 'christened' him with their own nickname of Harry.

Holcroft Grange's support of Help for Heroes was particularly poignant to 85-year-old George Spencer, a resident at the home

and former soldier in the Scottish Rifle Regiment, also known as the 'Cameronians'.

George commented: "Help for Heroes is a cause close to my heart, as many members of my family have served in the armed forces. My father, my brothers and I were members of the same regiment, and my nephew, Jamie, is currently serving in Afghanistan. I am glad that we can support Help for Heroes in the work they do for our brave soldiers."

Also reflecting on his own time in the armed forces was 92 year old Ken Perkins, who served for three years on board HMS Nelson as an Ordnance Artificer, cleaning and maintaining the huge artillery guns and handling the gun shells, which he remembers 'weighing a ton'.

Help for Heroes provides support to those living with injuries and illnesses sustained while serving in the British armed forces.

Shirley Paton, Home Manager at Holcroft Grange, added: "Our Bake for Heroes event was a huge success and we were completely bowled over by everyone's generosity. We're committed to supporting good causes, and to be able to raise money for a charity so close to many of our residents' hearts is fantastic. On behalf of everyone at Holcroft Grange, I'd like to say a big thank you to those who got involved on the day. Whether you baked, volunteered or donated - we couldn't have done it without you!"

Culcheth Sandwich Designer's Semi final success

The annual competition of the British Sandwich Designer of the year saw its largest ever field of entrants this year with Ian Barker from Le Brunch in Culcheth Warrington winning through in the North West Regional heat with his 'King Of Spain' sandwich.

Ian was one of 11 contestants who took part in the North West Semi Final which took place earlier this year. Judges chose Ian's recipes from a field of 300 entries for the competition organised by the British sandwich and Food to Go Association.

Jim Winship, Director of the British Sandwich and food to Go Association said, "The North West Semi-Final was a true mirror on the industry with artisanal independents, catering companies and large scale manufacturers going head to head. It's fascinating to see how the styles differ so greatly and how the interpretation of a great British classic varies".

Ian Barker of Le Brunch said "We have entered the awards over the last few years but never got beyond the semi-final stage due to some great competition and innovation out there".

At the time of Culcheth Life going to press Ian was in London taking part in the Grand Final. For more information on the event visit www.sandwich.org.uk and click on 'Awards'

New pedestrian crossing to be provided

A NEW pedestrian crossing is to be provided on Common Lane, Culcheth following a campaign by local councillors. The crossing will be sited on the junction of Wigshaw Lane and Lodge Drive. Local borough councillors Matt Smith, Joan Grime and Jan Davidson issued a joint statement.

They said: "Nobody in Culcheth can fail to notice that this is a particularly busy part of the village, and at times hazardous for pedestrians.

"With shops on both sides of the road, pedestrians are often taking their life in their hands by risking a sprint between moving vehicles. We have had a large number of residents raise this with us, which is why we are delighted that, following our requests to the council, and after chasing up additional funding earlier in the year, a new pedestrian crossing is to be provided at this location. It is a particular success given that funding for initiatives such as these is increasingly difficult to find."

Warrington North Parliamentary candidate Helen Jones added: "I know from meeting with constituents that the junction of Wigshaw Lane and Common Lane has always been particularly hazardous for pedestrians. I have put this case to senior council officers on behalf of residents in Culcheth, and been pleased to support the bid by local councillors to ensure funding was allocated for this project. I am sure that, when the crossing is installed, it will make a big difference to the safety of people, both from Culcheth and elsewhere, who use the shops in the heart of the village."

Green Belt "granny" annexe approved

A CONTROVERSIAL "granny" annexe built on Green Belt land without planning consent can stay in place, planners have decided.

Planning officers accept that the building – adjoining a semi-detached cottage in Warrington Road, Croft – could be regarded as inappropriate development in the Green Belt.

But they say it has been built on the site of a former garage that was demolished because its foundations were inadequate.

The use of the building is ancillary to the cottage, with all meals being taken in the cottage.

It is to be occupied by a disabled member of the family.

Croft Parish Council had opposed the development on the grounds that it was, in fact, a new building in the Green Belt.

But officers said approving the scheme would enable them to remove permitted development rights from the site and thus enable the planning authority to control any further development.

Tennis club open day

Culcheth Tennis Club based at The Daten held an open day to coincide with The Great British Tennis Weekend - a national initiative run by Lawn Tennis Association to play tennis for FREE.

Culcheth's Tennis Coach - Gary Brookes ran the day and the courts were buzzing with juniors who all received freebie goody bags.

In Wimbledon tradition, strawberries & cream and delicious cakes were served.

Membership is free for juniors who sign up during May, and only £99 for adult membership.

The Club also ran a Charity event organised by the Social Committee, a 12-hour Tennis-A-Thon to raise funds for two local charities - the Walton Lea Partnership and Headway - The Brain Injury Association.

Cricket club seeks new players

A NUMBER of key players have left Glazebury Cricket Club - leaving the Cheshire League club seeking new members.

The club started its season with mixed fortune, the 1st XI having to cancel its opening match because the pitch was not ready and losing its second game but the 2nd XI winning both its opening games.

But the shortage of players soon began to have an impact with the 1st XI suffering a couple of heavy defeats and the 2nd XI having to concede one game and turn out with depleted sides in a couple of others.

An influx of new players of all abilities, including juniors, would be welcome.

Anyone interested should call 01925 766482 or visit the club website www.glazebury.play-cricket.com

The club in its present form started in 1962, but it dates back to 1896 when it was founded as All Saints Glazebury Cricket Club and it had links with an earlier club, Bury Lane Cricket Club, which existed in the 1860s. Bury Lane was the former name for Glazebury village.
