CONGRATULATIONS to former Lymm High School pupil Richard Egington on winning a bronze medal in the London Olympics as a member of the men's eights rowing team.

This followed on from his silver medal four years earlier in Beijing.

Richard found it difficult to hide his disappointment at not achieving gold after previously winning world championships in his chosen sport.

But he should not be too down hearted – in fact he should feel extremely proud of his achievements as just being able to compete for your country in a home based Olympics is a great honour and achievement – winning any medal is the icing on the cake.

Having now announced his

retirement from the sport I am sure he will continue to be successful in life if he can continue to show the true guts and determination required to become an Olympian at any level.

Together with his fellow GB team members they have all been inspirational to our country and it is always that little bit extra special when one of your own achieves such success. I am sure everyone at Lymm High School will be proud of Richard's outstanding achievements and may be one day he will return to the school to help inspire possible Olympians of the future?

Certainly any Lymm High School pupil reading this article can see what is possible to achieve out of life if you have the right work ethic and determination to succeed.

Be inspired by Richard and try and set yourself a goal.

The London Olympics have been an outstanding success and hopefully will be uplifting for the nation moving forward through what have been very difficult economic times.

Let's hope the feel good factor left by the Olympics can start to filter into the national economy and provide a welcome boost for us all!

Finally if you have a success story to share please contact us now so we can spread your good news throughout the area.

# Plans unveiled for new Scout and Guide centre

**PLANS for a new Scout and Guide centre at Lymm have been unveiled - promising a super new community facility that will also be available to local groups and organisations.**

The new centre will be built on the site of the existing 3rd Lymm Scout Group and Lymm District Guides headquarters in Pepper Street.

It will replace old buildings, originally a school meals kitchen dating from 1947.

The site is owned by the Scouts and Guides and over many years of fundraising, 40 per cent of the anticipated cost of the new building has been raised.

Now applications are to be made to acquire grants to fund the rest of the cost.

Once built, the new centre will be shared by the Scouts and Guides during weekday evenings and occasional weekends but will also be available for use by other groups - possibly new organisations which don't exist at present because of the lack of suitable accommodation.

Indoor bowls, afternoon tea dances, judo, kick boxing and perhaps a film club have been suggested.

A "buy a brick" campaign has recently been launched, with members of the public invited to buy

or sponsor a red brick for £1 or a foundation blue brick for £5.

Beavers, Cubs and Scouts and Rainbows, Brownies and Guides throughout the village will be taking part in the campaign and it is hoped residents will rally round and help build the new centre within two years.

Spokesman Ray Banton said grant applications were more likely to succeed if the Scouts and Guides could demonstrate local support for the project, so local businesses were being asked if they could help in any way, either through provision of skills or materials.

Organisations would be asked to indicate they would like to use the facility once built.

Mr Banton said: "The centre will fulfil an urgent need for 'purpose built' modern facilities which the rapidly expanding village."

Letters of support should be sent to Mr Banton at 10, Woodland Avenue, Lymm, WA13 0BJ

 Community Centre, Oughtrington Crescent.  
 All welcome, refreshments available.

Left to right: Angie Mountford, Helen Brislane, Matt Bradshaw and Trish Lowe, Bridgford, Lymm.

## Estate agents but not as we know them!

STAFF, family and friends of the 11 Bridgford local branches came together at the Rain Bar in Warrington to raise money for the Christie charity.

In a 'night to remember' there was a raffle draw with prizes generously donated by local shops and businesses, a signed Manchester United football, which was auctioned and the spectacular "Bridgford Got Talent competition."

The acts included several singing stars, stand up comedian, a dog act, a gorilla playing the drums, but the winners were the staff from Bridgford Lymm office with their version of Queen's "I want to break free".

The event raised well in excess of £1,000 for the charity, thanks to all involved in making a memorable evening.

## Lions serve up a treat

Left to right: Lymm Lions president Shirley Hay, Ray Milner, Ken Scully, Joyce Scully, Lynn Shaw, Cllr. Peter Powell and organiser Joyce Penlington.

LYMM Lions served up a treat for members of the Oughtrington Luncheon Club by sponsoring their annual summer outing to the Barn Owl pub.

The Oughtrington Luncheon Club was presented with a cheque for £250 from Lymm Lions.

## Car boot sale

LYMM Rotary Club is holding another Car Boot Sale on Sunday, August 26, at Townfield Lane, Warburton, WA13 9TQ (near Warburton Toll Bridge) 7am - 1pm. Spaces £10 on the day, £8 if paid in advance. Contact Don on (01925) 754108. Admission 50p. All profits to Charity.

# Surgeon's three marathons for blind children

**LYMM resident Jon Durnian - an ophthalmic surgeon in Liverpool - is running three marathons in three days to raise money for Vision4 Children (V4C, a charity working for blind children in the developing world.**

Of the world's 1.4 million blind children, more than 50 per cent are needlessly blind - and 1.2 million of them live in Africa and Asia.

The most common treatable cause is childhood cataract - and in the developing world it costs just £50-£100 to perform cataract surgery.

Jon said: "Although my routine work, hopefully, helps the local population's visual problems, I cannot really help those in the developing world.

"I thought I'd take this opportunity

to work with a charity I know and trust to try and help the treatment of these patients in the developing world."

Jon's three marathons make up the "Anglesey Challenge" and involve running around the coast of Anglesey.

V4C are committed to reducing unnecessary childhood blindness in

the developing work by improving treatment, developing eye-care services and supporting parents and carers.

Anyone who wants to support Jon in his challenge should visit [www.justgiving.com/JonDurnian](http://www.justgiving.com/JonDurnian)

## Cyclists raise £2,500 for charity

THREE friends, two of them from Lymm, have raised more than £2,500 for charity after cycling from Lands End to John O'Groats.

Matt Hacker and Jamie Sharman, both of Lymm, and Neil Shand, of Comberbach, completed the 915 miles in eight days, to raise funds for the NW Air Ambulance Service and Headway, the Brain Injury Association.

Lymm and District Round Table donated £600 of the total.

Matt, a former RoundTable member, said: "When we first set out on the challenge we never dreamed we'd raise as much as we did. We've been amazed by people's generosity.

"We're also really grateful for the support we received along the way, with complete strangers willing us along and digging into their pockets to make a donation."

The men are all members of North Cheshire Clarion Cycling Club, based in Warrington.

# Accident reignites road safety campaign

**A ROAD accident involving a car and an 18-year-old male pedestrian at Lymm has reignited a campaign launched earlier this year by residents.**

The incident was at the junction of High Legh Road and Kay Lane. As a result, the pedestrian was taken to hospital with serious head and spinal injuries and police issued an appeal for witnesses.

Residents of High Legh Road and adjoining Park Road organised a petition back in March, calling for traffic calming measures in High Legh Road.

Organiser Paul Thompson questioned why, when the borough council was considering 20mph speed limits on residential roads, there was a 40mph limit in High Legh Road.

He said children and elderly people had difficulty in crossing the road to get to the Costcutter shop and post office.

He warned of the possibility of a serious accident occurring.

Now he says residents' worst fears have come true.

He said: "I am hoping to arrange a meeting with the parish council to get their support for our road safety campaign."

## Day nursery nominated for five awards

LYMM day nursery Kids Planet has been nominated for five awards in this year's Nursery World Awards.

The awards are highly regarded in the Early Years professional sector and staff are excited about the nomination.

Last year Laura Hemsley from Kids Planet Warrington won the Early Years Professional of the Year, and this year the team is hoping to do even better.

The winners will be announced at a gala awards dinner on September 28 at London's Lancaster Hotel.

## New steps at dam

LYMM Parish Council has agreed to contribute £6135 towards the cost of re-instatement of steps at Lymm Dam. Bay Malton Angling Club have agreed to contribute £2000 to the cost of the project.

# Double celebrations to mark 10 years

LOCAL furniture retailer Branches of Warrington are celebrating 10 years at their premises in Wilderspool Causeway - and a local family is celebrating winning furniture worth £1,000 in a competition to mark the occasion.

Mr and Mrs Dickens, of Appleton, entered the competition and were delighted to receive a call from Branches to inform they had won the prize of furniture of their choice from the store.

Mrs Dickens commented: "It was a lovely surprise to receive the call to say we had won and to be able to make our choice from such a wide selection of oak and pine furniture. We are really looking forward to furnishing our living room with the Normandy, French style, oak furniture."

Howard Ashwood, owner and Director of Branches said: "During our year of celebration we wanted to say thank you to the people of Warrington and Cheshire for their support over the years, by offering a genuine chance to win a fantastic prize. We are delighted that Mr and Mrs Dickens will make their selection from our extensive range of dining, bedroom and occasional furniture. We hope they have many years of enjoyment using the furniture in their home".

The range of furniture available can be seen at [www.branchesofwarrington.co.uk](http://www.branchesofwarrington.co.uk)

# New orthodontist joins the team

LYMM based Dental Solutions are delighted to announce the latest addition to their team, Specialist Orthodontist Badri Chari.

Principal Gavin Laidlaw said: 'The demand for orthodontics continues to grow at a fast pace. With the addition of Badri to our three-strong orthodontic team, I am delighted that patients no longer have to wait for or travel far for the best in orthodontic care.'

Badri Chari has tremendous orthodontics experience and he also teaches orthodontics to dentists at Manchester University. He is actively involved in orthodontic research and has many publications in prestigious orthodontic journals.

Badri said: 'I'm delighted to become part of this successful practice and look forward to meeting and treating new patients in Lymm.'

# Stars come out

TRUE legends of sport including former England Rugby Union internationals rallied for a charity rugby match in aid of a player who fractured his spine while playing for Lymm.

More than 2,000 fans packed into Lymm's compact Crouchley Lane ground to cheer on a team of England legends against a team of Lymm legends to raise funds for the RFU Injured Players Foundation, the RPA Benevolent Fund and the Alex Bennett Fund for Spinal Injuries.

Alex Bennett, aka 'Bosh', suffered a fractured spine whilst playing for Lymm against Sandal last February—and the only way he could communicate with his wife and children was by blinking.

The way in which Bosh has kept going through his personal hell has astonished his doctors and been a source of inspiration to all with whom he has come into contact.

It was a glorious afternoon at Beechwood when Nick Easter and Martin Corry led out their teams to jointly raise funds for such worthy causes. Martin Corry led out a team of England legends, including Jason Leonard, Jason Robinson, Kyran Bracken, Ben Kaye and Danny Grewcock.

Nick Easter, a playing colleague of Bosh at Orrell, led out Bosh's team, which included Lymm RFC legends such as Chris Kinsey, Pete Millachip

**Bosh Legends.....36 36 .....England Legends**

[ by Trevor Williamson Pictures: Cameron Howarth ]

and Adam Fletcher, alongside this season's skipper Oli Higginson and forwards coach / hooker Pete Allen.

Danny Grewcock was the first player to force himself over the line, following early pressure from the England Legends. However, with 15 minutes to go to half-time it was Bosh's team who were in the lead, 5 - 26, showing that they were more than a match for their more illustrious opponents by scoring four tries. What a thrill it must have been for Oli Higginson (1 try) and Adam Fletcher

(2 tries) to get their names on the score-sheet whilst playing in such exulted company. Jos Baxendale, the ex Sale centre and skipper, scored an unconverted try for the England Legends before Jason Leonard, playing on the wing (!), scored the game's most popular try to bring the half-time score to 17 - 26.

Two minutes into the second half, man-of-the-match, winger, Jimmy Naylor (Orrell, Newcastle Falcons and Leicester Tigers) scored in the corner, before setting up Leigh Hinton

# t for Bosh

(Orrell, Bedford Blues, Newport Gwent Dragons and Leeds) for a length of the field sprint to the line and a try. At 17 – 36 it looked as though the England Legends were facing defeat. If only Pete Millachip and Chris Kinsey could have finished off the moves that featured skilful inter-passing between Pete Allen and Oli Higginson they might have been able to boast about inflicting defeat upon a team with hundreds of international

Rugby star Jason Robinson.

caps between them. What a good reason, perhaps, to finally hang up those boots ??!

This event was Alex's "thank you" to all those in the rugby community in Lymm and in the brotherhood that is Rugby Union, who have supported him and his family over the past few months. His wish was that everybody would have a brilliant day together and that the funds raised would allow others with spinal injuries to be given a second chance, like him, to fulfil their hopes and dreams. In February, one hope of Alex was that he would be able to walk his daughter down the aisle. Everyone on the pitch and on the touchline will take great comfort that this will now be possible, albeit the greatest credit should go to Alex and his wife, Antonia, for being the driving forces and motivation to enable this to happen.

Alex's wish for others came true. It was a brilliant day. In some respects it would have been better if holding such an event had not been necessary, but given the circumstances the many willing volunteers who made it happen did Alex, his family and Lymm RFC proud. The obstacles that had to be overcome for it to be success pale into insignificance compared to the obstacles that Alex has had to overcome to date, but as the stars came out in Lymm (or went home) some glory shone all around.

'Bosh' waves to the crowds.

## TailorMade for you...

**TailorMade Alternative Investments was launched to cater for the growing demand for alternative investments to play an increasing part in investment and retirement planning strategies.**

Due to the perceived lack of value for money (i.e. performance achieved in relation to charging structures) and the prospect of low interest rates for the foreseeable future, classic fund based pension and investments are fast becoming a thing of the **PAST**.

TailorMade Alternative Investments open doors to new investment opportunities providing you with **DIRECT** access to a **DIVERSE** portfolio of alternative investments, rather than through traditional fund based routes. This cuts out some of the associated

costs and can help provide true diversification in a variety of asset classes, stabilising an investment portfolio in volatile times.

Within this ever changing economic landscape, both private and institutional investors strive to identify the best sectors and niches in which to invest their **FUTURE**.

Amongst the most popular are real estate, commercial property, commodities, land, farmland, renewable energy and fractional property ownership.

All the Alternative Investments in our current

portfolio can be accessed using personal funds, or pension funds via a SIPP (Self Invested Personal Pension).

The choice is yours...

For a no obligation initial consultation contact us

For more information about the Alternative Investments we offer, please visit [www.tm-ai.com](http://www.tm-ai.com)

Do you have any **preserved** pension arrangements? • Would you like to decide where **your** pension fund is invested? • Would you like **all** your funds in **one** place? • Would you like the option to put **your** funds into a **wider variety** of Investments? • Would you like a more **proactive service** from your pension provider? • Have you been **dissatisfied** with your current pensions performance? • Are you **concerned** about having enough income when your time comes to retire?

If you answered yes to any of the above questions.

**It's time to act...**

## Motoring

# For when a car won't do!

GENERAL Motors, who earlier this year were making the bold claim that the Vauxhall Ampera was the first electric car for everyday use, have now come up with a concept vehicle for places where a car can't be used at all.

The Vauxhall/Opel RAD e is described as a future vision of environmentally-friendly urban mobility.

GM say the RAD e takes many of its design cues from the Ampera and is a response to the increasing role e-bikes are predicted to play in future integrated urban transport systems.

It is the first e-bike to be designed around automotive manufacturing mass production methods. Instead of exotic light-weight materials, its designers opted for a hollow pressed-steel frame, which is light, strong, flexible and easy to make.

Powering the "pedelec" propulsion system is a state-of-the-art 250 watt electric motor and lithium-ion battery. The battery can be fully charged in just two-and-a-half hours, and the bike can be transported on a specially adapted FlexFix carrier that allows it to be charged while it's on the move.

Delivering at least 40Nm of instant torque, the RAD e feels agile and responsive. The motor gives the rider support when pedalling, but will provide between 40-90 miles of pure electrical drive if required, depending on terrain and based on a 20mph average speed.

It has a user-friendly, smartphone-based control unit which unlocks the engine and provides real-time data on range, speed and exact location.

What it doesn't cater, for of course, is summers like the one we have just endured!

## WARRINGTON MB CENTRE

# Club's £69,000 practice area opens

**LYMM Oughtrington Park Cricket Club's new £69,000 three-bay synthetic practice area has been officially opened by Warrington South MP David Mowat.**

The facility was provided with the help of a £59,841 from the England and Wales Cricket Board (ECB) in partnership with Sport England.

Mr Mowat was accompanied by former club player Neville Woodyatt, in the absence of his wife, Cllr Sheila Woodyatt, who was unwell.

The grant was part of the ECB's national strategy to increase the number of people playing sport.

Lymm Oughtrington Park was identified as a club of strategic importance because of the strength of its junior programme and its efforts to develop and encourage women and girls to play the game.

Club chairman Paul Hembrey said: "Because we had to negotiate a long term lease on some adjoining land this project has taken four years to reach fruition. Consequently, we were thrilled and excited when we were awarded the grant because we urgently needed to upgrade and extend the coaching facilities at the club.

"We have eight ECB qualified coaches and we have no doubt that the high quality synthetic pitches will enable us to create more coaching and play opportunities. The pitches are perfect for the development of young cricketers but all age groups will benefit. I believe this facility will attract more players to the club and we have made a commitment to increase the number of women and girls playing cricket.

"We are extremely grateful to the ECB and Sport England for their most generous support because we could not afford this high class coaching facility from our own resources."

## Connor will pipe for the Queen

ARMY cadet Connor Davidson, aged 13, from Lymm was selected to play in the Army Cadet Force Massed Pipes and Drums Band, in front of the Queen, at Balmoral Castle, in August.

Connor is a member of Greater Manchester Army Cadet Force's Pipes and Drums.

He joined the Army Cadet Force in 2010 as a recruit, and since then has become a most proficient piper, and at a recent training course in Inverness, was commended by his instructors for his excellent style of playing.

His younger sister, Becky is also a piper in the band, and Mum Nicola, is a volunteer adult instructor, handling the administration.

Since joining the cadets, Connor has travelled all over the United Kingdom and to a number of European Countries, taking part in both military parades and civilian piping competitions. He will be travelling to France later in the year, to take part in Remembrance ceremonies in the town of Valenciennes.

Earlier this year Connor attended the Annual Army Cadet Force and Combined Cadet Forces Piping and Drumming Concentration in Inverness, and last month, he was selected to be a member of the Central Army Cadet Force Pipes and Drums Band which entertained at the Scottish Reserve Forces and Cadets Association Beating The Retreat ceremony, in the centre of Edinburgh.

## Shoppers' vote gives charity a boost

A LYMM charity is set to benefit from a year's fundraising - following a vote by local shoppers.

Lymm Youth and Community Association has been chosen as Sainsbury's new local charity partner for the coming year, following the vote by customers in the Lymm store.

The partnership officially launched at the end of July and customers can now choose to make a donation in-store to the association, whose headquarters are just round the corner in Bridgewater Street.

The charity helps local groups by providing a place to meet, including Senior Socials, Dance Classes, Film Club and Youth Activities. Last year's charity partner was Lymm Village Hall Pre-School, and they benefited to the tune of £600, which will go towards new equipment, such as cameras and a printer.

Store manager Allen Wales said: "Lymm Youth and Community Association is such a worthy local cause and we're pleased and proud to be supporting it over the next 12 months. We'll be letting our customers know of our fundraising plans in-store and we hope they can join our colleagues in helping support them".
