**Here at Lymm Life we love reporting on local success stories - and on this month's cover we feature Adam Halford from Beechwood Industries who recently took over Primrose Hill Nurseries.**

I first met Adam when he was a bright eyed teenager at Lymm Rugby Club, embarking on his new career as a landscape gardener.

Now 12 years on he has flourished into a local entrepreneur employing more than 30 people, with both businesses now operating from the Primrose Hill Nurseries site at High Legh.

Throughout this whole period we have worked with Adam helping promote and market his business and we are delighted to see both businesses flourishing.

On top of this Adam is a regular member of the Lymm Panto cast and will also be featuring in the forthcoming Lymm Vaudeville Show

in the giant marquee at Lymm Rugby Club, which I am sure will be another fantastic event, alongside the forthcoming Lymm Festival.

Sadly it is not all positive news in the village with ongoing issues concerning acts of arson and vandalism.

Park benches were set on fire at Lymm High School and planters were vandalised in Ridgway Grundy Park.

Police inform me the youngsters involved in the arson incident have been identified and are being dealt with.

With the long summer school holidays looming I am sure there will be lots of young people out and

about enjoying themselves, with the vast majority of them behaving themselves.

But could I just ask all parents, grandparents and carers to take an interest in the whereabouts of your young ones and ensure they are engaged in useful activities.

We are blessed with a great community and some great outdoor spaces - let's ensure they stay that way.

**Deadline for the  
August issue of  
Lymm Life is  
July 2**

# St Mary's stage events to meet 'severe financial challenges'

**TWO events take place on Saturday, July 6 to help St Mary's Church, Lymm, cope with severe financial challenges facing the church and church hall in the coming years.**

From 2pm to 4.30pm there will be a vintage Crafternoon tea at Maple Lodge, off Pepper Street and at 7.30pm there will be a concert by Fionnuala's Fa'cy at Lymm Golf Club, off Whitbarrow Road.

The Rector, the Rev Beverley Jameson said: "These are two wonderful events. The vintage crafternoon tea has highly stylish crafts taught by talented leaders. I know the afternoon tea will be spectacular. I am also looking forward to a fun evening at Lymm Golf Club, to the great music provided by a wonderful band.

"Do come along to these fabulous events, have a great time and raise funds to maintain St Mary's church and church hall buildings"

The Crafternoon tea will have an afternoon of professional craft making with a vintage afternoon tea of cake and sandwiches.

The event is not considered suitable for children under the age of eight. Tickets are £21 for adults and £15 for young people aged 8-16. They can be ordered by email [stmaryscrafternoon@gmail.com](mailto:stmaryscrafternoon@gmail.com) or by calling 07729 000289.

The concert will consist of a fun

night of traditional and modern folk music from Ireland, England, Scotland and Canada – with some country music and gospel.

Tickets will be £12 for adults (£10 concessions) with family tickets (two adults and any number of children) £20 from [tom83167@me.com](mailto:tom83167@me.com) or by calling 07793 019457.

In the meantime, the "Rev Bev" has thanked people who contributed bats and mice for the church's stall on May Queen day. They raised £346.

Vanessa Lees, organiser of St Mary's Crafternoon Tea

# Lymm High School ball hailed huge success

**MORE than 100 enthusiastic parents and friends of the school attended Lymm High School's inaugural Ball raising more than £5,000 towards a new 3G pitch.**

Guests were entertained by a magician during the welcome fizz and then treated to a sumptuous 3-course meal. A special Lymm High-themed Heads & Tails quiz kicked off the evening's fundraising, followed by a raffle and auction later in the evening.

DJ Paul Slater then helped round off the evening with a mix of floor-fillers that encouraged dancing until 1 am at the Hallmark Hotel, Grappenhall.

Prizes were kindly donated

by individuals and companies in and around Lymm. The raffle itself raised over £700 but the Auction surpassed all expectations by bringing in well over £3000.

Manchester City's resounding win in the FA Cup that same evening helped the signed shirt to secure a bid of £500. Other notable big-ticket items included a 5-day stay at La Manga donated by The Wine Kitchen, a 2-night golf package donated by Golf Breaks, and a luxurious evening at

Peckforton Castle. The grand total raised on the night was just over £5000.

The Ball was organised as a new fundraising event with the specific goal of assisting the school to hit its target for the Pitch In fund in order to qualify for potential FA investment into new 3G community pitches in Lymm.

Commenting on the night, Lymm High School Head Teacher Gwyn Williams said: "The food, decorations and music were all excellent. All in all, I'd say it was a great success – and that's even before considering that we raised a good amount of money too!" Lymm High PTA would like to

thank the Hallmark Hotel, the numerous local individuals and companies who donated prizes, and all the attendees who helped to make the evening such a memorable success. It is hoped that this event will be the first of many Lymm High Balls.

For further information about ways that you can support Lymm High School and its current fundraising bid for a new community 3G pitch, either by making a donation or considering one of its corporate sponsorship packages, please email the Head Teacher, Mr Gwyn Williams, on HHeadon@lymmhigh.org.uk

# World famous car to make rare appearance at Historic Transport Day

**THE word "iconic" has been much overused in recent years and been applied to everything from the Queen's hats to Donald Trump's hair!**

But if the definition is "an item of distinctive excellence that symbolises a style or an era" then organisers of this year's Lymm Historic Transport Day on June 23 have no hesitation in describing the star of this year's event as, truly iconic.

The mere mention of the registration plate 77 RW is enough to set the pulse of any classic motoring enthusiast racing. The number can be found on the bonnet of an immaculate 1961 E type Jaguar open two-seater. But this is not just any E type.

It's the original testbed vehicle that was historically driven through the night to the Geneva motor show that year where it caused a sensation. The E-type's looks were simply stunning while its performance was unbeatable. So it was hardly surprising that the new model quickly became a glamorous symbol of the 1960s.

Today the car is on permanent loan to the Jaguar Daimler Heritage Trust thanks to the generosity of long-term owner Michael Kilgannon. Just occasionally 77 RW will grace a show or special event including, recently, Pippa Middleton's wedding. So organisers are enormously honoured to welcome

it to Lymm.

The appearance of this unique motor car was arranged via one of the Transport Day team – Philip Oldfield who can also be seen on the weekend of the event trundling up and down the field behind the line marker setting out the hundreds of "pitches" for visitors and exhibitors. Philip, who lives in Lymm judges at a number of car shows around the country and has been working in the background over a number of years to try and persuade the owners that Lymm would be a great place to show this unique car.

"Thanks to Phil and, of course, the owner this is another amazing coup for Lymm" said Event Director Alan Williams, "and is yet another step up for our event which just seems to keep going from strength to strength".

77 RW may be top of the bill but there are so many other reasons for making sure you don't miss this incredible event. As well as a fly past by an RAF Dakota (weather permitting) there will be hundreds of classic vehicles ranging from historic boats to traction engines, bicycles, cars and militaria.

# Retired dentist bids to create new world record rowing Atlantic!

**RETIRED** Lymm dentist John Moorhouse is preparing to embark on his next adventure - bidding to break a new world record in the Talisker Whisky Atlantic Challenge!

John, who became the 37th person in the world to climb the seven highest summits in each continent and ski to both poles is now preparing for the annual Talisker Whisky Atlantic Challenge, which departs the island of La Gomera in the Canaries to row 3,000 miles to Antigua on December 12.

Recently returning from two weeks of courses on Ocean rowing, navigation, first aid and radio communication, John will be taking part in the challenge as part of a team bidding to set a new world record.

Calling themselves the Ancient Mariners ([www.ancientmariners.net](http://www.ancientmariners.net)) and with an average age of over 64 years they aim to set a new world record as oldest team of 4 to row across an ocean.

John said: "Many more people have climbed Everest than have rowed the Atlantic.

"We expect to take between 45 and 55 days subject to weather that can range from mighty Atlantic gales to being becalmed.

"We will row a punishing schedule of two hours on and two hours off relentlessly around the clock. We will carry enough dehydrated meals and snacks

for 60 days and make our own drinking water."

The team is rowing for two charities - Blind Veterans in the UK and the Open Arms orphanage in Malawi where he used to live.

Meanwhile the team is actively looking for sponsors.

John added: "Our boat is a blank canvas which will have massive media exposure. We are actively looking for sponsors to join us in showcasing local businesses."

Anyone business interested in sponsoring please contact John at [john.moorhouse4@btinternet.com](mailto:john.moorhouse4@btinternet.com)

# Festival headline acts are sell out success

**IT looks set to be another fantastic Lymm festival this year, with the two headline acts already a sell out!**

The 10 day event runs from June 20-30th, kicking off with the ever popular Food Fest on Thursday June 20 and features pretty much something for everyone!

Chairman of Lymm Festival, Ian Marks, said "We are looking forward to another exciting Festival this year. Tickets are going very well and some events sold out early on.

"This applied to our two headline acts, Sir Ranulph Fiennes and Richard Coles, and our apologies to people who were unable to buy tickets for these events.

"There are many events I am looking forward to but I will mention just three. Professor Michael Garrett, the Director of Jodrell Bank, is one of the world's leading experts on the search for extraterrestrial intelligence.

"He will tell us about recent work at Jodrell Bank on this subject and about their exciting new radio telescope called the Square Kilometre Array.

"The Badapple Theatre Company is performing 'Frozen Roman'. An emergency meeting at a local pub gets heated as villagers rack their brains for new ways to fight imminent housing development. Surely this could never happen in Lymm!

Latin Charisma has renowned

Latin twist.

# Who pays inheritance tax?

**Heather Lally, Associate Solicitor, Estate and Trust Practitioner and Associate member of Solicitors for the Elderly at FDR Law looks at the question, who pays inheritance tax?**

Most people are aware that if you leave substantial assets to your beneficiaries on your death, that there may be inheritance tax to pay. However, with recent changes regarding owning a residence on your death and who it is left to, the inheritance tax position may not be clear to all.

The basics – Individuals with assets valued at less than £325,000, generally there is no inheritance tax to pay.

If you leave all your assets to your Spouse / Civil Partner, generally there is no inheritance tax to pay.

If you have survived your Spouse / Civil Partner and they left all of

their assets to you and had not gifted assets / set up trusts which used up their entire inheritance tax (Nil Rate Band) allowance, a claim can be made to use their allowance also, so up to £650,000 can be claimed.

Now, if your assets comprise your residence and that residence is left to your direct descendants (including adopted, fostered and step-children), providing the property is valued at the Residence Nil Rate Band (currently £125,000 for tax year 2018/2019) or above, this additional allowance can be claimed against inheritance tax.

If your residence was passed

to you by your late Spouse / Civil Partner, a claim of up to £250,000 can currently be made (using both persons' allowances). The Residence Nil Rate Band allowance is due to increase to £175,000 by 6 April 2020. At that time, up to £350,000 additional allowances can potentially be claimed by the estate of the surviving Spouse / Civil Partner, if the property is valued at that amount or more at that time.

Inheritance tax is normally charged at 40% over the Nil Rate Band and Residence Nil Rate Band allowances. Further reductions can be claimed for legacies and gifts to charity, if certain business assets or agricultural assets are held at death, along with gifts made from 3 years up to 7 years prior to death. However, estates valued at over £2 million, lose £1 of the Residence Nil Rate Band allowance for every £2 over £2 million.

Inheritance tax can be complex and each person's circumstances are different. If you are unsure as to whether your estate will pay inheritance tax, take advice and let us clarify matters for you and assist in inheritance tax planning options.

For more information on Inheritance tax, Estates, Wills, Trusts, Powers of Attorney or Court of Protection matters, contact Heather Lally on 01928 739300 or email Heather.Lally@fdrlaw.co.uk

## Lymm Senior Colts finish with a treble

LYMM Senior Colts finished their season lifting the Halbro League Cup ending a long journey together for players, their coaches and their ever supportive parents.

Although it would have been nice to finish their time together at Beechwood, Lymm could not have wished for a better venue than Heaton Moor Sports Club. Moor's excellent hospitality and facilities provided a fitting venue for Finals Day.

Lymm were also delighted that Chris Barrett or 'Homesey' as he is affectionately known at Lymm, was the coach of the opposition and was the organiser of an excellent afternoon of rugby.

Coaches who have played with Homesey knew that Lymm would have to pass a stern test if, they were to finish their season with the treble of 'A' Colts League Champions, Cheshire Cup and NW League Cup winners but they did do in style beating Heaton Moore Senior Colts 22-51.

The curtain comes down on 11 years together as a team playing entertaining rugby as their mantra. A delicate balance has been achieved by David Simpson between the pursuit of excellence and the insistence of inclusivity for all members of the squad. Everyone has had fun, laughter and created life-long friendships ....and won the odd few dozen trophies along the way. The coaches hope that the legacy of this team will be a successful Lymm 1st XV for many years to come and for all the boys to enjoy their rugby wherever life takes them in the future with the reassurance that Lymm RFC will always welcome them home.

Halbro League Cup Squad: Inman, Nolan, Hopkinson, Norman (1Try), Senior (3Tries), Simpson (1Try, 4con, 1 pen), Gray, Ratcliffe, Wadsworth, Murphy, McCaulley, Soni (1Try), Heaton, Price, Brown, Carr, Peers, Johnson (1Try), Binns, Yates (1Try)

# New power walking session proves to be huge success

## A NEW weekly Power Walking session introduced by Lymm Runners is proving to be a huge success among locals.

It's been described by walk leader Kate Pike as "having all the benefits of being a Lymm Runner – lovely company, fitness and fun – without actually running!"

The power walking session, which takes place every Thursday evening, is designed to raise the heart rate – so not a country stroll – and is aimed at those who want a cardio-based workout without the impact.

It has already attracted some new, total beginners to the sport, as well as Lymm Runner members who are recovering from injury and are looking to regain their fitness.

The 3-4 mile sessions are taken by run leaders who are experienced in

working with the annual beginners group, which takes place in January and February each year, while expert coach and club founder Chris Lees is on hand to encourage good technique.

Then of course there's the bonus of getting out in the fresh air on a summer's evening with the prospect of some excellent, friendly company.

Anyone interested is welcome to go along and give it a try. They will need to be wearing running shoes and suitable active wear. The walk departs at 7pm from outside Lymm Leisure Centre. Alternatively, for more information, email [kate@lymmrunners.org.uk](mailto:kate@lymmrunners.org.uk)

## Lymm Twin Town Society guests get a taste of Bollywood!

Lymm recently welcomed 50 French visitors from twin town Meung-sur-Loire as part of the annual family exchange between the two villages.

The twinning is now 52 years old and joins together voluntary member associations from both sides of the channel once a year.

Each French family is placed with a similar host family from Lymm or the surrounding area. The

Society then puts on events to help people get together, re-kindle old friendships and get to know new faces.

This year French visitors started their visit with a trip to Arley Hall for drinks and a Hog Roast evening meal. After that there was no rest as the guests set off at 8:15 the next morning for a day at the Ironbridge Museums.

The final organised event was a dinner at the Hallmark Hotel in Grappenhall.

The evening began with a selection of tunes by the Lymm U3A Ukulele band and finished with a pair of "Bollywood Dancers". They really added sparkle and bounce to the whole evening.

At the end of their set, they let guests join in and have a go at some of their moves. They simplified these with instructions like "screw in a lightbulb" or "pat the dog".

This year there were four new families who hosted a French family for the first time. They were all delighted with how much fun it turned out to be.

Jenna Lombardi-Brown said, "The Twin Town Society offers the unique opportunity to not only experience another culture but to learn a new language while making lifelong friendships. Our

family really enjoyed the group activities designed for all ages." Claire Whitworth adds "So sad to say 'au revoir' to our lovely French family. Thank you to everyone in the group for a wonderful few days. We have developed new friendships with our family that will hopefully last many years".

Lynn Bryant added: "This is my first year in the Society. I found out that town twinning is really about building relationships and it's a long-term commitment. It has introduced me to new experiences and friends across all age groups in both Lymm and Meung."

Plans are already in motion for next year's return visit in 2020, when English families will visit Meung. Please contact the society if you are interested in getting involved.

Lymm Twin Town Society organises social events during the year to raise funds towards the next exchange visit.

The next social event will be a summer barbeque and anyone interested in the society would be welcome to participate. For more details about the society, membership and events, contact [lymmtowntown@gmail.com](mailto:lymmtowntown@gmail.com) or visit [www.lymmtowntownsociety.co.uk](http://www.lymmtowntownsociety.co.uk)
